

## AGREEMENT OF COOPERATION

BETWEEN

Henry Samueli School of Engineering and Applied Science  
UNIVERSITY OF CALIFORNIA, LOS ANGELES

AND

Colleges of Engineering, Nuclear Science, and Electrical Engineering & Computer Science  
NATIONAL TSING HUA UNIVERSITY

In accordance with a desire to promote cooperation in areas of mutual interest for the benefit of the following institutions, the Henry Samueli School of Engineering and Applied Science, University of California, Los Angeles (UCLA), and the Colleges of Engineering, Nuclear Science, and Electrical Engineering & Computer Science, National Tsing Hua University (NTHU), hereby enter into the following agreement:

**Article 1.** The Henry Samueli School of Engineering and Applied Science(UCLA), and the Colleges of Engineering, Nuclear Science, and Electrical Engineering & Computer Science(NTHU) shall engage in cooperation in fields of common interest and shall develop joint projects in these fields.

**Article 2.** Joint activities will be established by mutual agreement of both parties. These projects are undertaken to enhance the exchange of scientific knowledge and cultural traditions at the global level, in keeping with the commitment of both parties to international scientific and cultural exchanges.

**Article 3.** Within agreed fields, both parties shall seek to engage in the following types of cooperation, subject to future specific implementing agreements signed by the chief academic officer of each institution:

a) Exchange of faculty and students for research, teaching and study; students are expected to pay their tuition fee at their home institution. Student exchanges are based on the understanding that exchanges are matched one-for-one by each university;

b) Subject to later agreements, exchange of scholarly publications and other information in areas of interest to both parties, including library collections and services;

c) Joint research activities;

d) Exchange of scholars for seminars, conferences and other academic meetings.

**Article 4.** The duration of exchange visits will be determined by mutual consent. Such visits may be for one year, one semester or shorter.

**Article 5.** The two parties will designate individuals with responsibility for the coordination and implementation of this agreement.

**Article 6.** Both parties understand that all financial arrangements will have to be negotiated separately and will depend on the availability of funds.

**Article 7.** Both parties agree to exercise their best efforts in securing outside funding for joint projects.

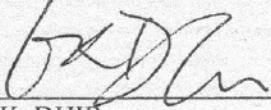

**Article 8.** Both parties acknowledge that visits by faculty and students from one party to the other shall be subject to the entry and visa regulations of the United States and the Republic of China, and shall comply with the regulations and policies of UCLA and NTHU.

**Article 9.** It is understood that both UCLA and NTHU subscribe to the principle of equal opportunity and do not discriminate on the basis of race, sex, age, ethnicity, religion, or national origin. Both UCLA and NTHU shall abide by these principles in the administration of this agreement and neither party shall impose criteria for exchange of scholars or students, which violate principles of nondiscrimination.

**Article 10.** Both parties shall review the status of the agreement at the end of each five-year period to determine any modifications that might be necessary. The period of validity of this agreement may be extended by mutual consent.

**Article 11.** Either party may terminate this agreement with written notification, signed by a designated official of the party initiating termination. Such notification must be given at least six months in advance of the effective date of termination.
