

MEMORANDUM ON STUDENT EXCHANGE BETWEEN
COLLEGE OF ENGINEERING, NATIONAL TSING HUA UNIVERSITY AND
GRADUATE SCHOOL OF ENGINEERING SCIENCE /SCHOOL OF ENGINEERING
SCIENCE, OSAKA UNIVERSITY

The agreement for the academic exchange program between College of Engineering, National Tsing Hua University, Taiwan and Graduate School of Engineering Science/School of Engineering Science, Osaka University, Japan, as it relates to the exchange of students, shall be implemented in the following way:

- Article 1** The students participating in the exchange program under the terms of this memorandum shall be selected initially by the home university, and the host university shall make final admission decisions in each case.
- Article 2** Each year, no more than five students may be enrolled at the partner university. However, the number of students may be modified by mutual consultation in advance.
- Article 3** The period of enrollment of the students shall not exceed one year.
- Article 4** The host university shall waive application, matriculation, and tuition fees for the exchange students.
- Article 5** The field of study for each student shall be such that the host university can appoint a qualified advisor and provide appropriate courses of study.
- Article 6** In order to carry out his or her course of study, each student shall possess sufficient language ability, as specified by the host university.
- Article 7** Participating students shall continue as candidates for degrees at their home university and will not be candidates for degrees at the host university during the term of study at the host university.
- Article 8** For the purpose of promoting exchange among students, each university shall endeavor to encourage graduate student participation in the event of research exchanges between researchers. Particularly in respect to exchange involving those students in the latter stages of their doctoral program, the universities shall aim to make possible coordinated guidance by the guidance professors of both the home university, as well as the host university.
- Article 9** Both universities agree to provide appropriate documentation of course work completed by the students, and the host university shall provide academic information regarding the performance of the students during the term of study. It is understood that the home university shall be responsible for awarding subject credit, based upon work undertaken and

evaluated at the host university.

Article 10 The host university shall assist the students in finding adequate housing on or near the campus.

Article 11 Both universities agree to mutually cooperate concerning any issues of crisis management that may arise within the course of exchange.

Article 12 This memorandum shall enter into force on the date of its signing by the representatives of both universities and shall be in force during the term of the agreement on academic exchange between both universities.
